My Dear Sir,

It seems that Swamy Rao, Temporary Sub-Overseer of your Deptt who was recently transferred as Masonry Master in the Industrial School, Mysore, is willing to work in his new line only if, as is the Rule in the D P W, he gets an increase of Rs 10 or 5 at the end of every 3 years of approved Service. In this connection may I request you to furnish me with the information on the following points and oblige!

1) What is the practice in the D P W of giving promotions to Sub-Overseers.

2 At what fixed
periods are they given
increments and what
amount each time?
~~When~~ Under what circumstances
are 10 ℔ given and when
5 ℔?

Yours truly
HH

Bangalore
16/12/1902.

My dear Sir,

In reply to your D.O. of the 15th instant, I have to inform you that Sub Overseers in general, get increases to their pay once in 3 years, as a rule on the recommendation of their Executive Engineers Ordinarily, the rate at which such increases are given, is Rs 5/ If on the other hand, there should be any special recommendation

RD 20/11/02

Orders regarding the appointment of M. Siwami Rao as masonry master in the Industrial School at Mysore, temporarily for one year were communicated to the DPI of Education, the Chief Engineer and

and to the Comptroller (vide South 10
Proceedings No 9154-56 Ed 212 dated the 28th
November 1902) Sl No 5 Flag A

The I Gl in his present
letter (No 4754/162 dated the 27th
November 1902, received 1st Dec (1902)
states that Swami Rao will ~~have~~
have to be given Rs 40 or
Rs 35 after an approved service
of one year in the Industrial
school

The reason stated is that
Swami Rao will in the D P W
get an increase of Rs 10 or 5
after an approved service of 3 years
and that he should get the same
increments in the Industrial
school

He has already put in a
service of 2 years in the D P W
~~school~~ and so after one more
years' service in the Industrial
school, his first increment of
Rs 10 or 5 will fall due & it

the Industrial school charges

It has to be noted that this information was not reported to Govt by the Dfl when he applied first for the services of Swami Rao

Submitted for orders to Secty

HCL 4/12/02)

The pay of the Weaving Master's place is only Rs 30 per mensem The increase to Swami Rao's pay will have to be sanctioned when he becomes entitled to it according to the rules of the Engineering Dept (after the lapse of about a year) The question is whether a promise of such an increase should be given now HL 4/12/02

I do not quite understand what 40 or 35 Rs means — whether both or which alternative is to be granted I think Rs 5 increase may be promised Draft accdly and submit for approval-

Draft HL 5/12/02

Draft submitted HCL 9/12/02

The Dewan & myself have had a lot of difficulty in getting a good man I am convinced that the increment is either Rs 5 or Rs 10 — the discretion of the official Inspector I am not (which I can ascertain officially or by an office note

Education
95 to 01

No 1

To

H V Nanjundayya Esq, M A, B L,
Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

Sir,

I have the honour to inform you that at a meeting held on the 21st June 1901, the Committee of the Mysore Industrial School resolved that the employment of a Bachelor of Engineering might be recommended to Government on Rs 80 rising to Rs 100 by annual increments of Rs 10 in place of the masonry master on Rs 30 The present Masonry Master is an old Sub Overseer of the Public Works Department who has learnt by experience some of the subjects he has to teach. He has not given satisfaction in teaching the Engineering Subjects of the Madras Technical Examinations, the Superintendent though not

an Engineer - himself being compelled to teach some subjects under the circumstances.

2 If a Bachelor of Engineering can be given to the school in addition to Veerappa, the present Masonry Master, it seems to me quite possible to teach the whole course of subjects laid down in Government Order No 8957-9 / 29 & 22-96, dated 28th January 1898 for the Subordinate training of Sub-Overseers If a Bachelor of Engineering is to take the place of Veerappa, then the present plan of teaching some Engineering subjects (vide para 75 of the Report on Public Instruction for 1899-1900) may be continued and those who pass in these subjects left to find employment in subordinate places in the P. W. Department or under private contractors as now

3 If Veerappa's services are to be dispensed with, I propose that he may be given a few months' notice, and the Bachelor of Engineering employed from 1st January 1902, provision for his pay from January to June being made in the budget of the Industrial School for 1901-2.

I have the honour to be,
Sir,
Your most obedient servant
H J Stabbs
Inspector General.

Secretary to the Government of Mysore in the
General and Revenue Departments Bangalore

SIR,

In continuation of this office letter No 1581/59 dated 10th August 1901 I have the honour to inform you that Veerappa, Masonry Master of the Mysore Industrial School on Rs 30 died some time ago and it has become urgently necessary to appoint a Bachelor of Engineering or retired Assistant or Sub-Assistant Engineer on a salary varying from Rs 80 to 100 I request that Government may be good enough to sanction the emploment of a qualified teacher of Engineering subjects in the Industrial School at an early date from the Local Funds General

I have the honour to inform you that there is a vacancy of Rs 30 in the Industrial School, Mysore caused by the death of Virappa, Masonry Master. With a view to secure the services of a duly qualified man for the place I notified the vacancy in the Mysore Gazette inviting applications for the same. M Swami Rao who has been a Sub-Overseer in the Mysore D.P.W for over ten years has applied for the vacancy. Mr. Dalal Superintending Engineer, Mari Kanave Water Works states that Swami Rao is quite fitted

to do the duties of the post he has applied for and is much above an average sub-overseer in general education. The Chief Engineer says that the Sub-overseer is a temporary hand and therefore he can not be granted a years leave, but there is no objection to his services being temporarily placed at the disposal of the Education Department if the sanction of Government is obtained. Swamy Rao wishes to keep his lien on his appointment in the D.P.W. Under these circumstances I request that Government may be pleased to sanction the loan of his services for a year to the Education Department.
